

4 **COLLABORATIVE**

Volunteer Opportunities

We have many ways for you to volunteer your time and talents at LMS:

Tutor a Child: If you would like to help with tutoring we have in school and after school programs where you can help with both our regular classes or our ESL classes.

Share your Talents: If you have talents you would like to share, such as helping in the office or helping with general maintenance around the school, we would love to hear from you!

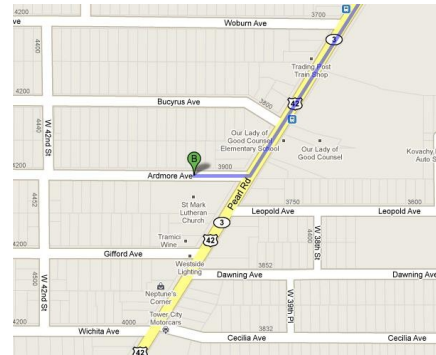

Help spread the word: One of the biggest reasons for our success is the love and generosity of those who support us, with both time and talents and also through financial commitments.

Partnerships: LMS is blessed to have formal partnerships with the following organizations to mutually advance mission opportunities:

Building Hope in the City, St. Mark Lutheran Church, Trinity Lutheran Church, Messiah Lutheran Church, and The Ohio District LCMS. Contact us to join our mission for Christ!

Directions to LMS:

We are located inside St. Mark Lutheran Church at the corner of Pearl and Ardmore Avenue, just south of the intersection of Pearl and State Roads. The school entrance is located on Ardmore Avenue.

Contact the school: Make an appointment to visit us and to learn more about what we do here at Luther Memorial School. We would love to spend time with you!

Next."**

Mrs. Peggy Schauer, Principal

Developing a Passion for Jesus, Learning and the Arts

#1 CHRIST CENTERED

At Luther Memorial School our main focus is to share the love and hope of our Savior with our students, their families, and the neighborhood around us. We strive to be a beacon of God's light and love in the city through the following:

Monday morning chapel services start each week at 8:15am. Family and visitors are always welcome to join us!

Daily religion instruction and learning about Christ in all subject areas.

Family Fun Night—The first Tuesday night of each month from 6-8pm. On these nights we invite our families, their friends and the neighborhood to share in the love of Jesus by joining us for a meal and a family oriented activity. Come join us!

#2 CREATIVE

Luther Memorial is proud to be an arts focused school. At LMS we feel it is important to incorporate the arts into the daily lives of our students and to help them realize the importance of their God given talents. Many times a student who is struggling with academics may find he or she can excel in the arts. Currently we offer several arts focused programs:

String Orchestra—LMS offers both beginning and advanced string orchestra. We have an artist in residence who conducts both of the orchestral programs, along with a Saturday morning community honors orchestra program.

Art—We have an art teacher who comes to our school each week to provide amazing art instruction to all of our students.

Dance— We are blessed to have an artist in residence who provides weekly dance instruction for our students.

Choir— Choir members rehearse both sacred and secular works. All of our performance based groups are anxious to share their God-given talents with your congregation or organization. Please contact us to schedule a presentation/performance.

#3 CLASSICAL

Luther Memorial is very unique in our “classical” approach to education. In addition to core subjects, we also include a focus on phonics, grammar, history and Latin taught from a Christian world-view.

We often hear the question, “Why teach Latin?” At LMS we believe that teaching Latin will help to prepare our students for high school and college. Over fifty percent of the English language comes from Latin. Learning Latin helps our students to better understand vocabulary and grammar.

▶ We have already seen improvements in reading achievement scores and our students will tell you that learning Latin is fun!
